Palestinian Accountants and Auditors Association – PAAA

The PAAA has been established in 1979 in Gaza and has its legal entity and separate financial position. The PAAA main center is in Jerusalem as it has its temporary center in Gaza city, and it has the right to establish its own branches in Palestine. The main objectives of the association are:

- Development of the Accounting and Auditing profession in Palestine
- Enhance the professional level of the accountants and auditors
- Find solutions for any professional problems occurs
- Increases cooperation between its members.
- Save the rights of the accountants and auditors, and
- Public awareness about true and fair accounting applications.
